Blackford Highland Games 2022

Trail Race- New to Blackford

A manageable turn out for the inaugural Blackford Highland Games trail race. 13 runners lapped the games field then headed out to explore the trails. The race, previously advertised at circa 5km turned out to be 9 and a quarter km, was enjoyed by all who ran. 13 runners returned safely with all attending the prize giving where no one left empty handed.

A comfortable win for Scott Henderson from Westerlands in the course record of 38.35 and a solid second place for the local runner Ian Tuck. Archie McDonald led the field out of the games park, but due to a slight navigational error slipped from his second place at the time to third which was his finishing position.

First lady over the line was Katie Ireland, a local runner and now the course record holder in a time of 43.49, followed by Lisa Blackley, also a local lass, in second place. Third lady was Alina Bondarenko.

Well done all and on next year!
